Our annual international conference provides a unique opportunity for you to improve your understanding of critical thinking, as well as your ability to more substantively foster it in the classroom and in all aspects of your work and life. This year's theme is *How to Teach Students to Master Content by Developing a Questioning Mind*.

We encourage institutions to send groups of teachers and administrators who can spearhead critical thinking efforts at your home base. See our special group rates.

[Click here for more information including session titles, presenters and dates.](#)

The conference will be held at the Claremont Resort & Spa in beautiful Berkeley, CA. **Please reserve your room by JUNE 27** to receive our very special room rate of \$159/night.

[Please click here for more information about the conference hotel.](#)

We look forward to seeing you there!
